Census Bureau Field Jobs Are Available

The Census Bureau conducts continuous surveys to supply the nation with important statistics on people, places and our economy. Our Regional Offices are responsible for hiring and supervising the Census Bureau's field workers. Local field workers know their communities best, and are instrumental in conducting surveys with residents on a variety of topics.

How do I apply for a 2020 Census Job?

Applying is easy. It’s ONLINE and in English only. Click on Apply Now at 2020census.gov/jobs

Apply if:
• You are at least 18 years old
• You have a valid Social Security Number
• You are a U.S. Citizen.
• You have a valid email address

As part of the application process, you will be asked to respond to questions that relate to your educational, work, and other experience.

If you need help, just call 1-855-562-2020 or use the Federal Relay Service at 1-800-877-for TTY/ASCII

What can I expect my work schedule to be like?
If hired, your work schedule will depend on your position. Generally, hours for field positions are flexible. Some field positions require you to work during the day. Other positions require evening and weekend work interviewing the public.

Where will I work?
The Census Bureau is committed to hiring census takers to work in their own communities.
