

YAVAPAI NEW YEAR SOCIAL DANCE

October 21st  6:30 pm

+ ◆ + ◆ +
At the Dance Grounds
+ ◆ + ◆ +

FOOD PROVIDED

Our Yavapai ancestors celebrated a new year in late September or early October. The new year began with the rising of a red star in the east they called "Hanyiko". The star is known to astronomers as "Regulus" and can be found in the constellation Leo.

FREE RAFFLES
